Shuswap School of Motorcycle Riding Policies & Information

- Applications will be processed in the order in which they are received with payment.
- Full payment must accompany all registrations. For your convenience, we accept cash and cheques.
- A fee of \$20.00 will be assessed for NSF cheques.
- Courses run rain or shine.
- SSMR reserves the right to ask a student to leave the course if that student is intoxicated or behaving in a manner that puts the student or those around him/her in a dangerous situation. Refunds will not be considered.
- Students must bring proper gear (see Gear List), a valid BC Driver's License, and a valid Motorcycle Learner's Permit (if applicable) to each day of class. Without these, students will not be permitted to participate. Refunds will not be considered.
- Novice students must obtain their Motorcycle Learner's Permit prior to the first day of the course. Contact ICBC to obtain the appropriate study guide. We recommend that students take their Class 6/8 Motorcycle Learner's Permit test well in advance of their course start date. Some students find this test challenging, and may need to take it more than once. Failure to obtain a Learner's permit before the start of a course will prevent a student from participating in the course. Refunds will not be considered.
- Due to the progressive nature of the course, a student may be prevented from completing the course if he/she misses a day of instruction. Although we will do whatever we can to provide make-up lessons on a cost-recovery basis, refunds will not be considered.
- Students may be recommended for Extra Training (see above fees) if their skills are not adequate to progress to the next day.
- Completion of the course does not ensure success with the ICBC Road Test.
- Due to the condensed time frame of the course, it is recommended for those who are physically fit or who have had some previous motorbike or motorcycle experience.
- In an effort to provide a healthy learning environment for our students, smoking is not permitted on grounds or during course time.
- Students registering must attend all four listed dates, but then have a choice whether to take the Traffic Skills course or not.
- Agreement between Insurance Corporation of British Columbia and Motorcycle Skills Assessment Facility requires that each facility shall provide written notice to each student that:

5.13.1 - Certification by the Facility does not guarantee that ICBC will issue an Unrestricted Class 6 or 8 Learner's License

5.13.2 - If a trainee does not successfully complete MSA (Motorcycle Skills Assessment), ICBC will not waive the minimum waiting period before the trainee can take a Motorcycle Skills Test, whether or not the trainee has completed the Motorcycle Skills Training program.

5.13.3 - ICBC may require a certified trainee to be retested by a Driver Examiner

5.13.4 - ICBC will have access to the trainees Motorcycle Skills Training and MSA records.

Cancellations & Transfers

- Cancellations made 14 calendar days or less prior to the start date of a course will not be refunded.
- Cancellations made 15 calendar days or more prior to the start date of a course will be refunded less a \$75 cancellation fee.
- Road Test Escort and Training sessions that are cancelled with less than 48 hours notice will be non-refundable.

Motorcycling is a sport that requires coordination, multi-tasking, concentration and balance. It is possible that a student may decide that motorcycling is simply not for him/her. Although we sympathize with this situation, we can not offer refunds to students who do not complete a course. We will do everything we can, however, to help these students overcome their difficulties and continue with their scheduled course.
